

NDR Log in/forgotten password

Click here:

You will be redirected to the New Log in Page

The NDR Log in page features the NDR logo in the top left. The main heading is "Log in". Below it is a form with two input fields: "Login by username/email address*" and "Password*". A blue border highlights the first input field. Below the password field is an orange "Log in" button. A red circle highlights the link "Forgot your password?". To the right is a dark blue vertical panel with an orange line-art illustration of a cow and a pig.

Click on the **"Forgot Your Password?"** Link

You will be redirected to the Reset screen:

The NDR Reset your password page features the NDR logo in the top left. The main heading is "Reset your password". Below it is a form with one input field: "Username or email address*". A blue border highlights this input field. Below the input field is an orange "Reset" button. To the right is a dark blue vertical panel with an orange line-art illustration of a cow and a pig.

Fill out your username. It is your email address.

Click on Reset. An email with a one-time link will be generated and sent if there is a matching email address on file. The screen will close automatically.

Follow the link in the email

It will then take you to the update password functionality in the “My NDR” part of the user profile. Fill out the marked fields and click “Save”.
