

Rico Font, CMT

Associate Director, Custom Research Solutions

Rico Font, CMT, Associate Director, Custom Research Solutions Department. Since joining the firm in 1993, Rico has worked exclusively in the Custom Research Solutions Department, assisting clients by performing technical analysis, economic studies, technical indicator models, market forecasting, and advanced quantitative methods. Rico assists Ned Davis with studies for Ned's publications and works directly with NDR's webmaster in enhancing research and tools on the NDR website.

Rico has been previously associated in programming capacities with Miami-Dade Community College and Omega Research.
